

COMMERCIAL BUILDING PERMIT APPLICATION

REQUIREMENTS: Commercial, Industrial, Community Facility, and Multi-Family developments are required to submit a Site Development Plan for review and approval before permits are issued. Building Permits are required for all projects in which a structure will be erected, converted, added, or structurally altered wherein the value of labor and materials is \$1,000.00 or more or an area over 10'x12' /120 Square Feet. A permit will still be required regardless of size or value for work including, but not limited to building foundations, load bearing walls, and concrete work. A sketch, drawing, and/or engineered plans, as well as documentation pertaining to fire alarm sprinkler systems and annual fire inspections, must be submitted with this application. The Commercial Building Permit Checklist is to accompany this application if a Site Development Plan is required.

NOTICE: Building Permits are valid for six (6) months from the date of issue. Permits may be renewed. All applications, fees, and plans are subject to review, verification, and approval by the City Planning, Building, Engineering, and Public Works Departments prior to accepting payment and issuing permits. ALL PAYMENTS MADE TO THE CITY WILL BE NON-REFUNDABLE, NON-TRANSFERRABLE ONCE THE PERMIT IS ISSUED. DO NOT SEND PAYMENT UNTIL THIS APPLICATION HAS BEEN REVIEWED AND APPROVED BY THE CITY.									
As the applicant, I certify that all information given on this application is correct, all City Ordinances and Building Codes will be complied with and Utility Companies have been notified as necessary (811). Inspections are a required part of the permitting process and I understand that as a permit holder, it is my responsibility to notify The City when any such inspections need to be performed. Thus, I hereby give authorization to City Staff to access the permitted property as necessary and certify that the structure or property will not be occupied without first obtaining proper inspection(s) and/or the issuance of a Certificate of Occupancy or Final Inspection from the City Building Official. I understand that the City Building Official has the right to withhold the Certificate of Occupancy/Final Inspection until all said requirements and conditions have been deemed satisfactorily completed and all fees associated with the permitting and/or inspection processes have been paid in full. I also understand that once my permits are issued, all payments made to The City will be non-refundable and non-transferrable.
